## Anita's Ad-libs

Dear Residents,

It's beginning to look a lot like and feel a lot like Christmas! As I write this, it's still November and many of you have trimmed your trees and your apartments are looking like the fondly remembered Famous Barr Christmas Wonderland. Our UMV elves have been busy trimming our common area trees and carefully placing our decorations throughout our Village. It's been a fun few days seeing the love and talent among our entire family enjoying this special time of year! Thank you for your Christmas spirit!

Yes, we are #1! Thanks for your votes and thanks to our fans for voting! I was very proud to announce in my quarterly meeting that UMV was voted the following:

**BEST OF THE BEST – SENIOR LIVING!**  
**BEST OF THE BEST – ASSISTED LIVING!**

As I shared, next week we will be delivering to your door the newly revised resident handbook. We'll have holes punched in the handbook so that you can replace your previous handbook with the new one. This previous handbook is in the UMV binder that you received when you moved in. I realize that a few of you may not know where it is any longer; however, it is a 3-ring binder that includes addendums such as our pet policy, private duty policy, etc. I did provide you with updated policies last year. These updated policies have not changed and are not included with the new handbook. Thanks for your patience as we carefully reviewed and updated our handbook that is now reflective of guidelines as they apply today. As we move forward, we'll continue to provide you with updates as guidelines are changed or updated.

Our activity calendar is filled with many events both on our own campus and offsite as well. Please review it carefully and sign up accordingly to ensure that you can participate. The Madison County Sheriff Department will be having a presentation on how to avoid fraud and scams. This is scheduled for December. Almost every day, I receive comments from residents that they are receiving random multiple phone calls requesting money. Again, please don't speak with these people and avoid the harassment. However, please plan to attend the meeting for the latest updates for your protection. We're looking forward to celebrating together during our planned Christmas Parties. Don't forget to make reservations as we want to plan and ensure a place for everyone. In addition, we'll be having additional security that night to ensure that everyone can attend the party comfortably. Tis' the Season.....

Please mark your calendars for the resident-employee Christmas social scheduled for December 11<sup>th</sup> from 9:30 a.m. - 10:30 a.m. in the main dining room. We invite all residents and employees to enjoy coffee and a light continental breakfast. This is a revision from prior years where just the Resident Council presented the employee Christmas gifts from the residents. All residents will be able to enjoy this very special gift giving social together. Thank you for your admirable generosity!!

Finally, as we draw an end to this year and as we enter the Advent Season, I'd like to share a Christmas blessing with each of you.....

*May love come alive within your heart*

*As Christmas time draws near*

*May hope fill each room you decorate*

*And bring joy to those you hold dear*

*May peace be before you at every meal*

*And faith ring through every song*

*For Christ is alive, the light of the world*

*May he bless you all season long!*

## Performance Dinner with Benjamin Godfrey & James Semple

*Dear Residents of UMV:*

***Santa says,***

***“It’s that time of year again!”***

*Each year we bring Christmas Cheer to the staff of United Methodist Village who are so kind and work so hard to make our lives easier.*

*Please show your generosity  
by contributing to our  
Employee Christmas Fund.*

***Please make your donation at the  
Wiseman-Pollock Reception Desk by  
December 5, 2018.***

*Remember, this is our opportunity  
to show our appreciation for their  
hard work.*

*Thank you,*

*Bonnie Tyler, Resident Council President*

# Chaplain's Chat

Judy Miller

Flood bucket funds were sent off this past week. Thank you so much—we were able to raise \$500.00 altogether. That money will go to help those victims who are cleaning up after the flooding.

Rev. Mark Meyers will be doing services on Dec. 2. He has a surprise in store for us as he does his story on “Tiny Tim” ( Tim Cratchit ). He will be dressed like Tiny Tim and will present his life to us and serve us communion. Come and enjoy services with us at 6:30 Sunday evening. You are in for a nice presentation.

Something we will do again this year: We will be helping the Trinity UM Church in Granite City gathering food for the less fortunate. Look for the handout around the coffee table; it will have the items needed each day. There will be a container there for your items. This will provide the children with one or two meals daily. This program has been quite successful throughout the area as they help feed the children. The official dates are Dec. 2 thru Dec.31. Please help them feed the children.

Advent Studies started last Wed in the conference room but it's not too late to come join them. Rev. Kim Stuby will be leading the class. They are meeting on Wednesday afternoons at 1:30 each week until Christmas.

So as we prepare for the story of Christmas and what it means to each of us, may I wish you and yours a Merry Christmas and a Happy New Year!
